

CHAPTER 25 – D-DAY. DO OR DIE.

*21 05 2022 Saturday Morning. Jaquie
and Frank have breakfast at Cafe
Discorso.*

Jaquie prepared a couple of written notes that she would hand Frank as required. They exchanged greetings and continued with their breakfast. She handed Frank a note.

“Let’s move as soon as possible. Drive past the restaurant. Then find a quiet place to revise the plan and call Gino.”

They drove past the Ristorante Avventura. Then they stopped in a country lane to talk to Gino and Nicola if need be.

*21 05 2022 Saturday Late Morn. Chapter
25 Section Break*

*Jaquie and Frank call Gino and Nicola del
Mare.*

Frank and Jaquie had revised the ‘retaliation’ plan to be activated at tonight’s encounter. They agreed on what had to be done. Frank takes the burner and calls Gino.

“Gino I am calling from the wonder gadget with Jaquie.”

“Dad your voice is fantastic. You sound refreshed after the stay in Scotland. Maybe you and Jaquie should visit us more often.”

“We’ll see about that. How you feeling for tonight? All set?”

“All set dad. Nicola is happy. The two men who will be there are: Marco and Mario. Marco has nine fingers. He is a bit of an actor.

Threats disguised in humour. He is Nicola's number one guy. Third man will be parked outside."

"Wow another one with one missing. Okay."

"We understand that Jaquie will bang the table at the appropriate time. Marco and Mario will move in. Don't worry. There won't be any shooting. Jaquie devised too good a plan for that."

"When all is done, Nicola will call Angelo and will put the heavy word on him. Angelo will have to back down. No more hassles, worries and Jaquie will be safe. She will keep her Alfa if it's not hers already."

"Okay Gino, Jaquie was listening to all that. Let me pass the phone to her."

"Hi Gino. I heard all that. Seems you have everything under control."

"Nicola will see to that I guess."

"Jaquie, Nicola will talk heavy especially when he calls Angelo. He gave me a preview. It's talk and it's meant to be persuasive if not scary. But he will not use force, not in this instance I am sure. He said it is an open and shut case and all bullets will stay in the barrel."

"Two men at the restaurant. One outside the restaurant. Two in Norfolk St Newark. Two at Casa Da Vinci. If possible Nicola will appear on conference call on 4 Fingers Mobile when he talks to Angelo. Oh, using 4 Fingers' mobile for the communications is an excellent idea. Puts them off the scent."

"Very well put. Here's Frank."

"Okay son. Call us on this widget if any problem. Ciao."
